

Rate Designation: Residential Time of Day Service; Rate Code 11
Residential All-Electric Time of Day Service; Rate Code 12

Class of Service: 120/240 volt, single-phase 60 Hz alternating current, farm and non-farm residences.

Service Area: All areas.

Availability: Applicable for single-phase service on an optional basis, for all farm and home uses through a single meter to a member-consumer using the Cooperative's standard service as described in section four of this Tariff, all subject to the terms of the service contract and membership application approved by the Board of Directors. Service hereunder is subject to the provisions of the Cooperative's Electric Service Standards. No resale of electric service is permitted. Electric service shall be provided through one meter and one point of delivery. Motor inrush current is subject to limits as established by the Cooperative. Total number of members served under this rate schedule is limited annually by the Board of Directors. Member-consumers choosing to discontinue service under this schedule must wait at least 12 months before returning to this schedule.

Monthly Rate:

Facility Charge	\$22.00 per month
Energy Charge	
Off-Peak kWhs	\$0.0538 per kWh
On-Peak kWhs	\$0.1560 per kWh

This rate shall be revised to reflect changes in wholesale rate structures applicable to this service. Such changes are subject to approval by the Iowa Utilities Board.

Time Periods: On-Peak hours are from 4:01 p.m. through 9:00 p.m. on all days including holidays. The Off-Peak hours shall be all other times.

Minimum Monthly Charge:

1. The minimum monthly charge shall be the Facility Charge where 10 kVA or less of transformer capacity is required.
2. Whenever a transformer of greater capacity than 10 kVA is required to provide adequate service to a member-consumer, a monthly service charge of \$0.75 per kVA in excess of 10 kVA shall be added to the monthly Facility Charge, for which service charge kWhs will be furnished.

Billing: The bill is the amount computed when applying the energy adjustment clause and the above rate to the number of kWhs consumed. Bills are rendered on or about the 3rd day of each month and are due on or before the 25th of each month. Payments received in the office after the 25th of the month will be considered late.

A late payment charge calculated as 1.5% of the current unpaid balance will be added after the 25th of the month.

An additional day will be allowed for payments received at the office of the Cooperative if the 25th falls on a day when the office is not open to receive payments.

**Energy Adjustment
Clause:**

See Rider No. 1

Tax:

The State of Iowa Sales Tax shall be added to the total bill as determined in the above listed provisions. In the event any governmental taxing body shall impose any tax or charge of any kind based on the amount of electricity sold under this schedule, or upon receipts from such sales, the Cooperative will add the amount of such tax or charge to the billing.

Control Credit:

Members accepting service under this rate are not eligible for any other control credit.
