

Rate Designation: Heat Plus; Rate Code 08

Class of Service: 120/240 volt, single-phase, 60 cycles, farm and non-farm residences, and small commercial establishments.

Service Area: Entire Service Area.

Availability: Available to all member-consumers who presently have or agree to install a Heat Plus space heating system. Service will be provided by the Cooperative pursuant to the provisions above and to the following specific conditions. Total number of members served under this rate schedule is limited annually by the Board of Directors.

- a. Heat Plus service will be available for all approved separately metered electric space heating installations meeting the Cooperative's space heating design and equipment requirements, building insulation and wiring specifications, and where electric service is also used for lighting, water heating, and other purposes. The member-consumer shall make provisions in their electrical wiring for the installation of a separate meter if necessary, and for the switching equipment.
- b. Heat Plus installations may have an approved backup heating system that is capable of maintaining a satisfactory comfort level in the building during the period when the electric space heating equipment may be interrupted.

Monthly Rate: Energy Charge \$0.0298 per kWh

This rate shall be revised to reflect changes in the wholesale rate structure applicable to this service. Such changes are subject to approval by the Iowa Utilities Board.

Billing: All kWhr's billed for the Heat Plus rate will be billed from the October billing through the May billing.

The bill is the amount computed when applying the above rate to the number of kWhs consumed. Bills are rendered on or about the 3rd working day of each month and are due on or before the 25th of each month. Payments received in the office after the 25th of the month will be considered late.

A late payment charge calculated as 1.5% of the current unpaid balance will be added after the 25th of the month.

An additional day will be allowed for payments received at the office of the Cooperative if the 25th falls on a day when the office is not open to receive payments. Each service account shall be granted one, complete forgiveness per calendar year.

Energy Adjustment

Clause: See Rider No. 5

Tax:

The State of Iowa Sales Tax shall be added to the total bill as determined in the above listed provisions. In the event any governmental taxing body shall impose any tax or charge of any kind based on the amount of electricity sold under this schedule, or upon receipts from such sales, the Cooperative will add the amount of such tax or charge to the billing.
