**Rate Designation: Residential All Electric Service; Rate Code 02**

Class of Service: Single-Phase, farm and non-farm residences.

Service Area: All areas.

Availability: Applicable for single-phase service through a single meter to all member-consumers of the Cooperative for permanent electric space heating who are receiving service at the same location for other usages, subject to the Cooperative's standard service as described in section four of this Tariff, all subject to the terms of the service contract and membership application approved by the Linn County REC Board of Directors. Service hereunder is subject to the provisions of the Cooperative Electric Service Standards.

Monthly Rate: Facility Charge \$22.00 per month  
Energy Charge  
First 1200 kWhs per month \$0.10743 per kWh  
Over 1,200 kWhs per month \$0.08973 per kWh

Monthly Transformer Charge: Transformer Charge  $\geq$  75kVa assigned/required is \$0.11 per kVa.

Minimum Monthly Charge: The minimum monthly charge shall be the greater of the following charges as determined for the member-consumer:

1. The Facility Charge when 10 kVA or less of transformer capacity is required.
2. Whenever a transformer of greater capacity than 10 kVA is required to provide adequate service to a member-consumer, the minimum monthly charge shall be a monthly service charge of \$0.75 per kVA in excess of 10 kVA added to the Facility Charge.

Billing: The bill is the amount computed when applying the energy adjustment clause and the above rate to the number of kWhs consumed. Bills are rendered on or about the 3rd working day of each month and are due on or before the 25th of each month. Payments received in the office after the 25th of the month will be considered late. A late payment charge calculated as 1.5% of the current unpaid balance will be added after the 25th of the month.

An additional day will be allowed for payments received at the office of the Cooperative if the 25th falls on a day when the office is not open to receive payments. Each service account shall be granted one, complete forgiveness of a late payment charge per calendar year.

Restrictions: The member-consumer shall provide the Cooperative a heat loss/gain analysis report and heating output of electric heating system.

The member-consumer shall be responsible for notifying the Cooperative when the heating installation is complete and the Cooperative will complete an "on site" installation verification prior to activating this rate. The member-consumer shall be responsible for informing the Cooperative if they no longer have electric heating within 90 days of removal of such heating.

Demand. The maximum billing demand required shall not exceed 75 kW in any of the months of January, February, June, July, August or December.

Energy Adjustment  
Clause: See Rider No. 1

Tax: The State of Iowa Sales Tax shall be added to the total bill as determined in the above listed provisions. In the event any governmental taxing body shall impose any tax or charge of any kind based on the amount of electricity sold under this schedule, or upon receipts from such sales, the Cooperative will add the amount of such tax or charge to the billing.
