minimum monthly charge shall be a monthly service charge of \$0.75per kVA in excess of 10 kVA added to the Facility Charge.

Billing: The bill is the amount computed when applying the energy adjustment clause and the above rate to the number of kWhs consumed. Bills are rendered on or about the 3rd day of each month and are due on or before the 25th of each month. Payments received in the office after the 25th of the month will be considered late.

A late payment charge calculated as 1.5% of the current unpaid balance will be added after the 25th of the month.

An additional day will be allowed for payments received at the office of the Cooperative if the 25th falls on a day when the office is not open to receive payments. Each service account shall be granted one, complete forgiveness of a late payment charge per calendar year.

Restrictions: Demand. The maximum billing demand required shall not exceed 75 kW in any of the months of January, February, June, July, August or December.

Energy Adjustment  
Clause: See Rider No. 1

Tax: The State of Iowa Sales Tax shall be added to the total bill as determined in the above listed provisions. In the event any governmental taxing body shall impose any tax or charge of any kind based on the amount of electricity sold under this schedule, or upon receipts from such sales, the Cooperative will add the amount of such tax or charge to the billing.
