

Look Up Your Time-of-Day Usage on SmartHub

View your energy usage from your desktop or mobile device on our SmartHub app. Through detailed graphs, you can monitor your daily consumption 24/7 and see how it is trending over time.

To see your daily energy use in our time-of-day rate format, go to the “type” category on the usage explorer page and switch the type from usage to time-of-use (area shown in red circle). To see 15-minute usage, go back to the usage tab.
