2024

Optional Heat Plus Rate Application (Space Heating Only)

This form must be submitted to Linn County REC prior to the Heat Plus Meter being installed and rate assigned. There is a rate availability of at least 3 heating seasons. There is no guarantee of the magnitude of the rate offered. Only electric space heating is eligible for the reduced rate.

The Heat Plus Rate is currently \$0.06017 + Energy Adjustment Clause (EAC) per kWh. \$0.06017 effective October through May billing months. An additional Monthly \$5 facility charge applies for heat plus meter.

Member Information

First Name	Last Name	Account Number	Phone Number
Address of Meter	State	Zip Code	Email Address
Today's Date		Estimated Completion/Electrical Inspection Date	

Account Type:

- ☐ Residence Only ☐ Farm Only *Non-coincidental 15-minute demand must be < 75 kW during the months of December, January, February, June, July, August, and September to be eligible for the Heat Plus Rate.*
☐ Residence/ Farm ☐ Multifamily
☐ Shop/Garage ☐ Small Commercial

Installation Type:

- ☐ New Construction ☐ Existing Electric Heating ☐ Replacing Wood Heating ☐ Other _____
☐ Replacing or Supplemental to Natural Gas Heating ☐ Replacing or Supplemental to Propane Gas Heating

Heating Type:

- ☐ Electric Baseboard ☐ Electric Cove ☐ Electric Furnace ☐ Electric Boiler - Radiant ☐ Electric Unit Heater
☐ Ground-Source Heat Pump ☐ Air-Source Heat Pump ☐ Mini-Split System
☐ Check if Hybrid/Gas Backup System Maximum System kW (Including Backup Electric Heat) _____

Qualifications:

- Must have electric space heating.
- Condition space must be greater than 400 sq. ft.
- Must have separate electric domestic water heating system, water heater is **not eligible to be included in the Heat Plus Panel**.
- Must follow [Linn County REC's Guide to Metering](#) for approved Heat Plus meter socket and wiring diagram.
- Only Residential Rate Code (11TOD, 12TOD) and Commercial Rate Code (13TOD, 3MCOM) qualify for the optional Heat Plus Rate. Not available to accounts with AEP (Alternative Energy Production). Must qualify and comply with Linn County REC's Electric Tariff on Rate Code 17DFM, 19DFM, 38DFM.

On-site Verification and Meter Installation

- Electrical inspection (County/City) must be completed, and panel labeled before Linn County REC will install the Heat Plus Meter.
1. During the scheduled meter installation, Linn County REC will verify that only approved electric heating is in the Heat Plus Panel and that power for the meter is coming from the main meter socket. Linn County REC will not install the Heat Plus Meter if qualifications are not met.
2. After on-site verification and meter installation, Linn County REC will continue to monitor metering data to verify only electric heating is in the Heat Plus Panel.
3. Linn County REC reserves the right to inspect the Heat Plus Panel anytime after installation to ensure that only electric space heating is included in the Heat Plus panel.

ex. 2 - Heat Pump

Members Main Panel

*Electric/Heat Pump Water Heater
Must be in Main Panel

Members Secondary Panel
for Qualified Heat+ Units

All wiring must meet current NES Code and Electrical Inspections

Summary Acceptance

- ☐ I've completed this form completely.
- ☐ I understand requirements/qualifications for Linn County REC's Heat Plus Rate.
- ☐ Separate electric water heater will be installed and wired to the main panel, **not** allowed to be wired in Heat Plus panel.

Warranty Information: Linn County REC makes no warranties, expressed or implied, with respect to equipment operation, material, workmanship or manufacturing. Linn County REC does not guarantee that a certain level of energy or cost savings will result from the use of products covered by this rate.

Limitation of Liability: Participating Members agree that Linn County REC's liability, in connection with this rate, is limited to paying the rate specified (when all Terms and Conditions have been satisfied by the member). Under no circumstances shall Linn County REC be liable for any consequential or incidental damages resulting from participation in this rate or requirements for this rate.

Participating Member's Certification: Participating Member certifies that he/she meet qualification met on their application at their defined location served by Linn County REC. Participating Member agrees that all information is true and that he/she has conformed to all of the requirements/criteria listed.

Other: Linn County REC reserves the right to suspend the rate and remove any metering equipment owned by the cooperative if the member is no longer using the equipment on a regular basis or is in violation of any program requirements.
